Personalising Your Quote

Our Thermal Blankets provide a wide range of benefits, please select any that are particularly important to you:

Keep cool Retain warmth Reduce outside noise Protect from rain

Is there anything else you can share about your camper trailer and how you use it?

The more information we have, the better we can tailor a solution that's ideal for you. For example, how many people stay in your camper trailer, do they all sleep inside or do you use an annex for additional space? Do you have any after-market or custom features on your camper trailer? Where do you plan to go camping – caravan parks, warm climates, cold climates, 4WDing, etc.

I would like a quote for a Thermal Blanket that is: Ready-to-Ship Custom-Made

For custom-made Thermal Blanket quotes, please provide dimensions as shown in the picture here. Where possible, please also supply us with a photo of your camper trailer set up.
